

Lung Cancer Screening Action-Planning Workshop Program Snapshot

Instructions:

Using the links above each section, find your state's data to complete this form. Then use the same data to complete the visual snapshot template on Canva.

1. Use this site to complete this section: [State Cancer Profiles > Quick Profiles](#)

Lung cancer Incidence rate:

Incidence trend direction (rising or falling or flat):

By how much:

Lung Cancer Mortality rate:

Mortality trend direction (rising or falling or flat):

By how much:

What communities have the highest smoking rate in your state?

Adult smoking rate [not vaping]:

Adult smoking rates by ethnicity:

Adolescent smoking rate [not vaping]:

2. Use this publication to complete this question:

[https://journal.chestnet.org/article/S0012-3692\(21\)01364-7/fulltext](https://journal.chestnet.org/article/S0012-3692(21)01364-7/fulltext)

What is your state's screening rate according to the ACR-Registry:

3. Use this site to complete this section:

[State of Lung Cancer | American Lung Association](#)

Screening: In , of those eligible and at high risk were screened.

In , of cases are caught at an early stage.

Highlighted disparity:

What are your program's current lung cancer screening priority populations based on (Can be more than one):

- Incidence, mortality, or late-stage diagnosis rates
- Smoking Prevalence and Tobacco Exposure
- Screening Eligibility Estimates
- Screening Uptake and Access
- Health Equity and Disparities
- Geographic Hotspots
- Healthcare System Capacity
- Alignment With State Cancer Plan Priorities

4. Use this site to complete this section [State Comprehensive Cancer Control Plan Analysis - GO2 for Lung Cancer](#)

Go2 CCC Plan score:

Does CCC Plan Include Lung Cancer Screening Goals, Objectives, and Strategies with current USPSTF lung cancer screening recommendations?

Does the CCC plan include information on Lung Cancer Biomarkers for Treatment?

Does (State) Require Coverage of Comprehensive Biomarker Testing?

5. Fill in your State of Tobacco Control Report Card using [State of Lung Cancer | American Lung Association](#)

Tobacco Prevention and Cessation Funding	Smokefree Air	Tobacco Taxes	Access to Cessation Services	Flavored Tobacco Product
